Update

About Us

It's something we think about from the time our feet hit the Legos® on the floor, until after we've tucked the kids in at night. We know that the child care struggle is real, because we're parents too.

Our Vision

Positive pleasure-oriented goals are much more powerful motivators than negative fear-based ones. Although each is successful separately, the right combination of both is the most powerful motivational force known to

Our Vision

Pressure Monitor

100\$

Introspection is the trick. Understand what you want, why you want it and what it will do for you. This is a critical factor, and as such, is probably the most difficult step. For this reason, most people never complete this aspect – then wonder why life is so difficult!
